Re: *Connect America Fund*, WC Docket No. 10-90; *Universal Service Reform Mobility Fund*, WT Docket No. 10-208

Dear Ms. Dortch:

On October 27, 2016, Chris Nierman of General Communication, Inc. (“GCI”), John Nakahata of Harris, Wiltshire & Grannis LLP and I met with Alex Minard and Jesse Jachman of the Telecommunications Access Policy Division of the Wireline Competition Bureau. We discussed the proposed Alaska Plan performance obligations of GCI’s two incumbent LEC affiliates, United Utilities and Yukon Telephone Company, Inc. (together, “UUI”).¹ In particular, we discussed the potential data allowances and retail prices for locations that UUI upgrades or deploys in fulfillment of its Alaska Plan commitments in areas that are served by microwave or satellite backhaul facilities.

Please do not hesitate to contact me if you have any questions regarding this matter.

Sincerely,

Julie A. Veach
Counsel to General Communication, Inc.

cc: Alex Minard
Jesse Jachman
